Dear Editors of Scientific Papers Series Management, Economic Engineering in Agriculture and Rural Development,

We wish to submit an original research article entitled "Social Capital Effectiveness in Creating Competitive Advantage and Business Performance of Village Credit Institutions (Case Study in Gianyar Regency, Bali, Indonesia)" for consideration by Scientific Papers Series Management, Economic Engineering in Agriculture and Rural Development.

We confirm that this work is original and has not been published elsewhere, nor is it currently under consideration for publication elsewhere.

In this paper, we report on/show the effect of social capital on competitive advantage and business performance of village funds institution in Bali, especially in Gianyar Regency. It is important to analyze because the village credit institution spread all over Bali under the custom village.

We believe that this manuscript is appropriate for publication by Scientific Papers Series Management, Economic Engineering in Agriculture and Rural Development because of its effect on social and economic.

We have no conflicts of interest to disclose.

If you feel that the manuscript is appropriate for your journal, we suggest the following reviewers:

Please address all correspondence concerning this manuscript to me at [yudywijaya333@gmail.com](mailto:yudywijaya333@gmail.com)

Thank you for your consideration of this manuscript.

Sincerely,

Putu Yudy Wijaya
